November 1, 2017

In Tarrant County, many of our neighbors desperately need important medical care, but cannot afford it or don't know how to get the care they need. For almost 100 years, the physician spouses of the **Tarrant County Medical Society Alliance Foundation** have funded crucial community health programs in Tarrant County providing education and healthcare to those in need in our own community.

It is with great excitement that the Foundation is planning for our only fundraising event of the year. Join us as we return downtown for **Medicine Ball 2018**. The evening will be a sparkling extravaganza including a cocktail reception, raffles, dinner, dancing, and a Monte Carlo styled casino including a poker tournament. Proceeds from this event will fund our community health programs.

The Medicine Ball 2018 **Diamonds Are Forever**

A New Venue: City Club of Fort Worth
Saturday, April 14, 2018
6:30 p.m. until 11:00 p.m.

With our sponsors' support, we were able to improve the health and wellness of children and families through local community health programs, including:

- Be-Wise ImmunizeSM
- Allied Health Scholarships
- Hard Hats for Little Heads
- Project Access Tarrant County

In an effort to make it as easy as possible for you to partner with us in a way that aligns best with your mission and giving goals, we are offering three different sponsorship opportunities: direct giving to one of our community health programs, underwriting portions of the event or reserving premium tables at the ball. Each of these opportunities include premium amenities and are described on the enclosed opportunity sheets.

The cause for excellent healthcare, for everyone in our community, needs you. We invite you to partner with us as we raise funds to provide critical education and healthcare in our community. Will you be a champion for those in need?

Sincerely,

Linda Kennedy
Medicine Ball Chair
